lets learn—about SMART nano-learning

Naumai haramai piki mai

Kia ora, ko Paul Ransfield tēnei.

As the founder of the kapai group, we want to support you and your whānau to enjoy succeeding as independent, self-paced, mobile first learners.

For this, you and your whānau need access to free to use, free to share resources that are:

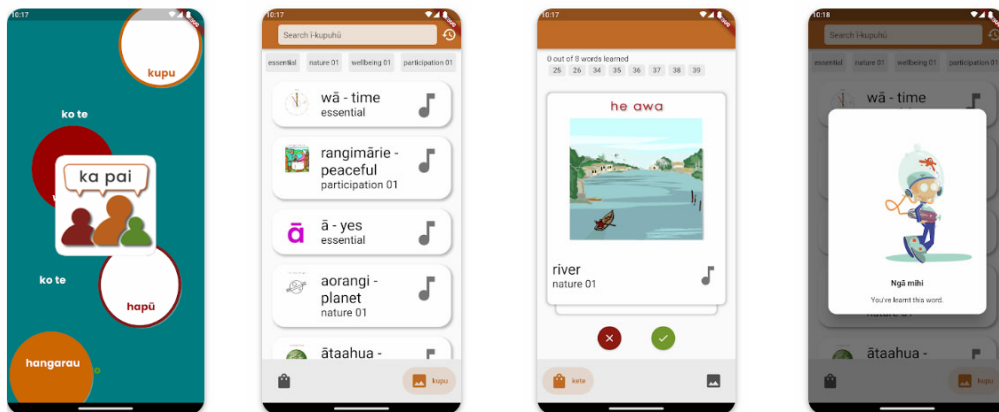

- **Shareable** so you and your friends can learn on the same page at the same time.
- **Measurable** against known standards eg NCEA, NQF, Oxford, Microsoft.
- **Audio-visual** to learn a language you need to hear it, as spoken by fluent speakers, and to see it, as it would be commonly used.
- **Repeatable** at your own pace, in your own time, 24/7.
- **Trackable** for registered learners, we can generate reports that list: what you learnt; when you learnt, and what you downloaded.

Features of the kapai group ī mahi pai—bubbling word app

The ī mahi pai bubbling word app allows learners 24/7 access, to audio visual learning of 14,400 te reo māori words and contextual phrases.

Over the last 15 years, the Kapai Group have worked with educationalists, and fluent speakers to ring-fence all the vocabulary in the learning areas for: manaakitanga (hospitality); taiao (nature); hauora (wellbeing); whai wāhi (participation); auaha (creativity); toi (art); hangarau (technology); matihiko (digital); kīwaha (idioms); waiata (song); and whakataukī (proverbs).
